

GET INVOLVED

There are many ways to stay connected to your alma mater and enjoy Mount Union after leaving campus. Whether you like volunteering at events, mentoring students, investing in the future of Mount Union, or even gathering fellow alumni and friends together in your city, we can assist you!

A variety of time commitments allow you to customize your experience and impact our community. We are currently looking for volunteers for the Alumni Association, M Club, and Mount Union Women.

M CLUB

M Club is the the varsity letter winner's association. A student athlete lettering in a varsity sport (men's or women's) at Mount Union is automatically a member upon graduation. The group serves to keep athletes connected with each other and raise funds to support the current student athletes (and teams) on campus!

MOUNT UNION WOMEN

This group raises funds to provide scholarships to deserving female students on campus. As a nonprofit organization, Mount Union Women volunteers in the concession stands at home football games and hosts various social events for alumni and friends! Any female graduate or friend of Mount Union may join!
