

# CLASS OF 2021 GIFT

## CLASS OF 2021 PLAZA

Join fellow members of your graduating class in making a BIG difference at Mount Union with a contribution to this year's Class of 2021 Gift – The Class of 2021 Plaza.

Your support will provide a gathering space for all future and current Raiders, in connection to one of the most popular areas of campus – The Academic Mall – and in between two distinctive landmarks on campus, KHIC and Chapman Hall. This gathering space will allow students to enjoy the beauty of campus while studying, eating, or simply hanging out with friends!

## LEAVE A LASTING IMPACT ON CAMPUS

Every year, thousands of donors contribute to The Mount Union Fund to support scholarships and financial aid, technology and facility upgrades, study abroad experiences, co-curricular activities, the arts, athletics, and more. These gifts touch every part of campus and have shaped your Purple Raider experience! The Class of 2021 Gift offers you an opportunity to do the same.

In addition to leaving a lasting impact on campus with your Class of 2021 Gift, you will also receive an exclusive Class of 2021 quarter-zip and have the opportunity to customize a brick.
