

# WHAT IS THE “CLASS OF 2022 SCHOLARSHIP?”

## **Your Senior Class Gift**

A lasting legacy of the Class of 2022 and a token of support for future Raiders!

## **Financial Relief**

For students that might not otherwise return to Mount Union in their final semesters.

## **Support and Assistance**

For future Raiders at Mount Union. Your gift ensures that other Mount Union students have the same educational opportunities you have enjoyed!

## **A Gift to the Mount Union Fund**

Offers immediate support for the student experience. By establishing our gift through The Mount Union Fund, we will not only have the opportunity to support our fellow Raiders now, but also in the future!

## **An “Endowed Scholarship”**

Simply means that the lump sum of money from our gifts will be deposited into the bank, ultimately accruing interest and furthering our impact. Each year, a small portion will be allotted for scholarship disbursement while the rest STILL accrues interest - AGAIN, growing our fund and our ultimate impact!
