

2021-2022 Cost Calculator Sheet

We encourage you to use this sheet to calculate your estimated cost for fall and spring. Begin by circling your charges in the chart below. Then enter the financial aid listed on your award offer. To calculate your remaining balance, take your total charges minus your total financial aid. Options for paying your remaining balance (if applicable) are listed in the enclosed *Be Invested Financial Aid Fact Sheet*.

2021-2022 Charges (circle charges that apply to you)		2021-2022 Financial Aid (enter the financial aid listed on your award offer)	
Tuition (required)	\$33,000	Scholarships:	
Technology Fee (required)	\$400	<i>Hartshorn Award (example)</i>	
Room and Board (if on campus)	\$10,900		
Additional Charges if Applicable:		Grants:	
Nursing Program Fee	\$300 (estimated)	<i>UMU Grant (example)</i>	
Music Lessons for 1 credit hour	\$500 (estimated)		
Music Lessons for 2 credit hours	\$1,000 (estimated)		
		Loans:	
		Federal Direct Unsubsidized Loan	
My Total Charges		Federal Direct Subsidized Loan	

Total Charges	Total Financial Aid	=	Estimated Remaining Balance for 2021-2022

- This calculation does not include Federal Work Study or the cost of textbooks.
- Additional fees may apply depending upon courses taken. For example, some science labs have fees ranging from \$25 to \$95.
- Federal Direct Loans have a 1.057% origination fee. This fee is current through October 1, 2021 and is subject to change.
- Room and board charges include a standard, double room and available freshman meal plan.
