

SING FOR A SCHOLARSHIP

AND PARTICIPATE IN THE MOUNT UNION CHORAL PROGRAM

The University of Mount Union's choral music program is open to ALL students, regardless of major. We take great pride in the fact that our vocal/choral ensembles are comprised of musicians from virtually every academic discipline on campus. Beyond this, Mount Union offers generous scholarships for music majors AND non-music majors alike; one does NOT need to major in music to receive one of our many choral participation scholarships.

For additional information concerning Mount Union's choral program scholarships or to schedule a scholarship audition, please visit mountunion.edu/music-scholarship.

Contact Dr. Grant William Cook III, director of choral activities, at **(330) 823-2181** or **cookgr@mountunion.edu** for additional information concerning the choral music program.
