New Raider News Email Series

We are excited that you have decided Mount Union is the place you want to be. You will find nonstop activity on campus, from national performers and campus-wide traditions to organized events and activities throughout the week. Cheer on the Purple Raiders at Mount Union Stadium or take part in a pick-up game of kickball. Explore our fun city or engage with faculty and staff who are ready to get to know you better. You will soon be defining your own Mount Union experience.

International Student Orientation and Housing Registration is Open!

All International students will attend International Student Orientation on 12-18 August, where they will learn about life in the U.S. and get acquainted with campus. Orientation sessions will include immigration regulations, living on or near campus, and adjusting to the U.S. classroom culture. Students will meet other incoming students, learn more about the academic requirements at UMU and finalize their fall course schedules. To complete your International Student Orientation registration, please login to your **application portal**.

It is time to begin planning for residence life as a Purple Raider! If you are going to live on campus, complete the personal information and interest form online in **MyHousing**. The program will then use this information to find your best match among the other students who have already completed the form.

If you have any questions you can call us at (330) 823-7288 or email at reslife@mountunion.edu.
