Fall Orientation 2020

Choose Your Own Adventure

Career Development

Discover how Career Development can assist you in your career journey. Join us for this fun interactive session about money, careers, employers, and you!

Finding Purpose at Mount Union

What's the square root of 64? Who cares! We have bigger questions to worry about, like meaning, purpose and how to fix the messed-up world our ancestors have left us with. Here at UMU Spiritual Life we'll search for these answers together – we aren't here to tell you what to believe, we just want to support you on your journey getting there. ALL are welcome no matter the background, tradition, belief (or nonbelief). If you're interested in making the world a more awesome place, this is the session to be at!

Fine Arts participation

Thanks to our beautiful new Giese Center, the performing arts are alive and well at Mount Union! Music and theatre activities are open to ALL Mount Union students, regardless of major, so come to this session to learn more about participating in one or more of our vocal ensembles, instrumental ensembles, and/or theatre productions.

Fraternity & Sorority Life

Alpha, Beta, Gamma, what? Come to learn more about Greek letters and the Greek letter fraternities and sororities at the University of Mount Union!

Living Sustainably

Learn about how you can live a more sustainable lifestyle during your time here at Mount Union and beyond. The Green Raiders (campus Sustainability Assistants) will introduce themselves and share some helpful tips and tricks to live green. Remember, at Mount Union we might Bleed Purple, but we Live Green!

Study Abroad: Open Doors, Explore the World

Join this session as the Center for Global Education presents the *many* opportunities that can become reality by studying abroad in over 50 programs in 29 countries. This session will provide information about the many experiences you can have across the globe such as: volunteering, internships, service learning, field experience, and more. Learn how study abroad generates professional and personal growth while creating an understanding of the world through cross-cultural experiences both inside and outside the classroom.
