

Application to Extend I-20/DS-2019

The form I-20 (for F-1 students) or form DS-2019 (for J-1 students) indicates your program period. If you are unable to complete your course of study by the program end date shown on the form, you must apply for an extension. The application must be submitted to the Office of International Admissions **prior** to the program end date indicated on the I-20/DS-2019. Students will also need to show that they have the funding available to stay additional time and complete their studies. A bank statement or other financial documentation will be required to extend the I-20 or DS-2019. When the extension is processed, we will send you an e-mail to come and pick up your new I-20/DS-2019.
