Statement of Exemption to Immunization: If you cannot complete the required vaccines, a waiver form must be returned to the Student Health Center. Note that students who have not been immunized may be excluded from class and residence halls if an outbreak of a vaccine preventable disease occurs on campus.

INFORMATION NEEDED FOR THE OFFICE OF RESIDENCE LIFE

In order to comply with an Ohio law, which went into effect July 1, 2005, any student planning on living on campus must be informed of the risk associated with and the benefits of vaccinations for meningitis and hepatitis B. In accordance with this law, we are providing you with the link to the Ohio Department of Health website (www.odh.ohio.gov) for further information.

Please note that this law does not require vaccination, nor does if require the institution to provide or pay for these vaccines. If requires only disclosure of whether or not you have been vaccinated. Your signature below will suffice as a release for the Student Health Center and Aultman to be able to share the information regarding only those immunizations with the office of Residence Life, should the need arise.
