**By July 15<sup>th</sup>**

Roommate requests need to be submitted on MyHousing to be guaranteed

**By the 1<sup>st</sup> Week of August**

### ROOMMATES

- Once two students complete their forms and request each other on MyHousing by 7/15, they will be paired
- Students on sports teams or in an interest group can request to live with another member. UMU Staff should make suggestions to students, not to the Office of Residence Life
- If a student does not request a roommate, they will be paired with one based off of preferences from the form
- Honors clusters are available for students in the Honors Program even if their roommate is non-Honors

### RESIDENCE HALLS

- Cunningham and McCready Halls are co-ed by floor
- Ketcham, Miller, and King Halls are designated for males
- McMaster Hall is designated for females
- Elliott Hall is gender inclusive
- The Honors clusters are in McMaster, Ketcham, and Elliott Halls

### COMMUTERS & TRANSFERS

- Transfer students will be accommodated on a case-by-case basis
