STUDENT ORGANIZATION DIRECTORY

The Office of Student Involvement & Leadership is committed to assisting in the preparation of Mount Union students for meaningful work, fulfilling lives, and responsible citizenship through engaging and intentional cocurricular activities, programs, services, and partnerships. Through immersed participation, training, practice, and reflection, the Mount Union student will gain skills that will complement academic endeavors and further enable success after graduation.
Student Organizations are a way to be active on campus while studying at Mount Union. Along with the benefits of University recognition, these opportunities for campus involvement are held to a high standard reflective of the quality of educational experience that Mount Union seeks for its students.

Not only do student organizations provide an environment for students to connect with one another through a topic of mutual interest, but they also provide opportunities for cocurricular learning and development.

We recognize student organizations in one (or more) of the following categories:

**Academic**
Academic Organizations directly support an academic field of study or link with an academic program/department at the University. This includes organizations that are honor societies.

**Governing**
These student organizations are considered to be “umbrella” organizations for specific groups of student organizations on campus. They make decisions and enforce policies and procedures as they relate to that set group of student organizations.

**Media**
Media organizations encompass those organizations that have a communications focus.

**Service**
These are student organizations whose primary purpose is either community service efforts or philanthropic endeavors in the campus and surrounding community.

**Social**
This category is our fraternity and sorority community. Mount Union hosts four fraternities for men and four sororities for women.

**Special Interest**
These organizations include those student groups that have a focus that is of special interest to those who are members.

Starting a new student organization at Mount Union

If you don’t see a group you’d like to join, and you’d like to start your own, please contact 
carnelke@mountunion.edu and
visit www.mountunion.edu/student-organizations for the requirements and instructions on starting 
new student organizations.

Basically, you’ll need 5 friends (minimum) and a full-time member of the faculty, staff, and/or 
administration to serve as the club’s advisor! (But, contact us first!!)
