

# Make your mark, leave your legacy. The tradition continues.

The Mount Union Fund Legacy Brick Program is your opportunity to create a "forever presence" on campus. With two Legacy Walkway sites to choose from, the Chapman Hall Walkway, or the McPherson Academic and Athletic Complex Walkway, members of the Mount Union family can honor, celebrate, memorialize, or recognize individuals, events, or "the grand old college" itself. Each brick includes enough space, up to 3 lines with 20 characters per line, for your personalized message.

*All bricks will be installed annually in time for viewing at Alumni Weekend and Homecoming. To be engraved by Homecoming, please purchase your brick by June 30. All proceeds to benefit The Mount Union Fund, which provides support for our students in the form of scholarships and aid, technology enhancements, academic programming, co-curricular activities, and more.*
