During a July 2017 visit by The Office of Private Sector Exchange Administration (OPA), specifically the Bureau of Educational and Cultural Affairs of the U.S. Department of State, officials at Mount Union were updated regarding the mandated incident reporting process for exchange visitors in the United States (those individuals on J-1 and J-2 visas). The Mount Union policy will be implemented for students attending on F-1 and F-2 visas as well due to immigration implications an incident could have on the student.
