## ADM 20.0

### Business Affairs

---

Policy Type: Administrative  
Applies to: Employees

## POLICY DATES

---

Issued:  
Revised: March 2017  
Edited:  
Reviewed: September 2018

University of Mount Union, in keeping with its ethical workplace standards, prohibits the attention, falsification or destruction of any document with the intent of impeding or obstructing any official proceeding of the institution. This policy provides for the systematic review, retention and destruction of documents received or created by the University of Mount Union in connection with the transaction of organization business. This policy covers all records and documents, regardless of physical form, contains guidelines for how long certain documents should be kept and how records should be destroyed. The policy is designed to ensure compliance with federal and state laws and regulations, to eliminate accidental or innocent destruction of records and to facilitate University of Mount Union's operations by promoting efficiency and freeing up valuable storage space.

## Policy Details

---

- I. Purpose
- II. Document Retention
- III. Electronic document and records
- IV. Emergency Planning
- V. Document Destruction
- VI. Compliance

### I. Document Retention

The University of Mount Union follows the document retention procedures outline in document retention list. Documents that are not listed, but are substantially similar to those listed in the schedule will be retained for the appropriate length of time.

### II. Electronic Document and Records

Electronic documents will be retained as if they were paper documents. Therefore, any electronic files, including records of donations made online, that fall into one of the document types on the attached schedule will be maintained for the appropriate amount of time. If a user has sufficient reason to keep an email message, the message should be printed in hard copy and kept in the appropriate file or moved to an "archive" computer file folder. Backup and recovery methods will be tested on a regular basis.

### III. Emergency Planning

University of Mount Union's records will be stored in a safe, secure and accessible manner. Documents and financial files that are essential to keeping University of Mount Union operating in an emergency will be duplicated or backed up at least every week and maintained off site.

### IV. Document Destruction

University of Mount Union's Vice President for Business Affairs is responsible for the ongoing process of identifying its records which have met the required retention period and overseeing their destruction. Destruction of financial and personnel-related documents will be accomplished by shredding. Document destruction will be suspended

# Records Retention and Document Destruction Policy

### Business Affairs

immediately upon any indication of an official investigation or when a lawsuit is filed or appears imminent. Destruction will be reinstated upon conclusion of the investigation.

#### V. Compliance

Failure on the part of employees to follow this policy can result in possible civil and criminal sanctions against University of Mount Union and its employees and possible disciplinary action against responsible individuals. The Vice President for Business Affairs and Chairs of the Finance and Audit Committees will periodically review these procedures with legal counsel or the organization's auditing firm to ensure that they are in compliance with new or revised regulations.
